COMPREHENSIVE PLAN GUIDANCE

Service Area: The City of Terre Haute

Neighborhood Conservation

These areas encompass neighborhoods with established and stable residential environments. The vast majority of these areas are fully developed (or expected to be in a relatively short timeframe). Fundamental directives urged for these areas encourage the maintenance of the residential desirability and stability. Where new infill development is proposed, it should be entirely consistent and compatible with pre-existing developments. However, special public attention may, in some cases, be required to assure that drainage, sidewalk improvements, and linkages to pedestrian and bicycle trails are made. Many of these neighborhoods may be excellent candidates for special assessment districts for neighborhood improvements and amenities.

In addition, these areas encompass existing retail activity nodes located throughout the community. In general, these commercial areas have evolved in an unplanned, largely uncoordinated manner along frontage of primary arterials. Within these commercial bands, a great variety of activities exist which target different markets. Some activities are oriented toward “drive-by” markets, fast food restaurants, convenience stores, gasoline stations, drive-in banking facilities, for example. Other activities are special-purpose, oriented to single trips rather than comparative multi-purpose shopping. These single purpose stores serve a market larger than a single neighborhood. Sales and service of automobiles, trucks, boats, recreational vehicles and related activities are special purpose region-serving activities. They require large site with good visibility. Finally, commercial areas include a range of neighborhood level retail activities including grocery stores, pharmacies, personal services such as hair styling, and other frequently purchased goods and services.

Additional policies for Neighborhood Conservation areas should include:

- Allow for a range of housing densities based on the zoning ordinance.
- Allow for a mix of uses, focusing on neighborhood and community serving commercial nodes.
- Encourage neighborhoods to develop a unique sense of place, but still be part of the larger city.
- Reuse of commercial oriented structure should be limited to retail activities that contribute to the diversity and variety of retail uses in a commercial node.
- With respect to existing commercial “strips” – i.e. narrow bands of commercial uses occupying major roadway frontage, the limitation of additional or new commercial uses is strongly advised.
- Geographic expansion of this commercial “strips” should be limited to the provision of additional space to ensure the compatibility with adjacent uses, not an intensification of use.
- Improved landscaping, improved pedestrian amenities, and increased attention to lighting, signage, and impacts upon nearby residential areas is advised in the review of development petitions.

FINDINGS and RECOMMENDATION

STAFF REVIEW – CITY OF TERRE HAUTE ZONE CHANGE

Number: SO #45-22

Doc: # 83

Date: November 2022

Page 4 of 4

Staff Findings:

Per City Code, C-6 Zoning is to be located along major streets or expressways. 25th St is considered a major street in the City of Terre Haute. Landscape, nurseries, garden supply, and seed stores are a listed use by right in the C-6 category.

Lots located at 2425 1st Ave, 2431 1st Ave, and a portion of 920 N 25th St were rezoned in 2019 to R-1PD for a landscaping business with variances for buffering and screening to the surrounding residential. Since that did not materialize within six months, the lots reverted to R-1. A portion of 920 N 25th St and 2448 Locust St were rezoned to C-6 within the same petition.

The site plan shows the alley, which has been petitioned to be vacated, used as the entrance. It is unclear when the alley will be or has been vacated, as the information was not provided to staff with the petition. It appears a new alley will be created going North-South within Lot 160 to provide access to the remaining portion of East-West alley. The alley should be vacated prior to rezoning. The proposed alley to be dedicated also needs to be accepted.

The City may request the property be combined into a single lot of use. Any livable dwellings will need to be removed. Parking will need to be hard-surfaced and illuminated with screening to the adjacent residential. A stormwater drainage plan will need to be approved.

Recommendation: If the vacation of the portion of the alley has not been approved, staff recommends tabling the petition until it is completed. If it has already been approved, staff offers a Favorable Recommendation with the following conditions.

1. Must be recorded in 90 days.
2. Approved detailed site plan to include customer parking and stormwater drainage plan by City Engineering.
3. Approval of alley vacation and dedication of new proposed alley from City Council and/or Engineering

PETITION TO REZONE REAL PROPERTY

TO: THE PRESIDENT AND MEMBERS OF THE COMMON COUNCIL OF THE CITY OF TERRE HAUTE, INDIANA;

and THE PRESIDENT AND MEMBERS OF THE AREA PLANNING COMMISSION OF VIGO COUNTY, INDIANA.

LADIES and GENTLEMEN:

The undersigned, Data Point, Inc., by Cary Albin, President, respectfully submits this Petition to Rezone the following described real estate in the City of Terre Haute, Vigo County, State of Indiana, to-wit:

Lots 214, 215, 216, 217, 218, 219, 220, 221, 260, 261, 262, 263, and the West half of Lot 264 in Locust Street Subdivision, a part of the Southwest Quarter (SW ¼) of Section Fourteen (14), Township Twelve (12) North, Range Nine (9) West, Vigo County, Indiana, as per recorded plat of the same recorded in the Recorder's Office of Vigo County, Indiana, in Plat Record 6A, Page 79.

Commonly known as: Part of 920 N. 25th Street, Terre Haute IN 47807
2431 1st Avenue, Terre Haute, Indiana
2425 1st Avenue, Terre Haute, Indiana
2428 Locust Street, Terre Haute, Indiana
2442 Locust Street, Terre Haute, Indiana

Parcel Nos.: 84-06-14-383-005.000-002; 84-06-14-383-010.000-002;
84-06-14-383-007.000-002; 84-06-14-383-018.000-002; and
84-06-14-383-020.000-002

And

Part of an Alley being vacated in Locust Street Subdivision, more particularly described as to wit:

Beginning at the Southeast corner of Lot 217 in Locust Street Subdivision as part of the Southwest Quarter (SW ¼) of Section 14, Township 12 North, Range 9 West, as per the recorded plat of the same, in Plat Record 6A, Page 79, recorded in the Office of the Recorder of Vigo County, Indiana; thence West along the South line of Lots 211, 212, 213, 214, 215, 216, and 217 in Locust Street Subdivision to the Southwest corner of Lot 217 in Locust Street Subdivision; thence due South 15' more or less to the Northwest corner of Lot 259 in Locust Street Subdivision; thence West along the North line of Lots 259, 260, 261, 262, 263, 264, 265, and 266 to the Northeast corner of Lot 266; thence North to the Southeast corner of Lot 211, being the place of beginning.

Your Petitioner is informed and believes that in accordance with Chapter 10, known and referred to as "The Comprehensive Zoning Ordinance for Terre Haute", as amended, the above described real estate is now zoned as R-1 Planned Development (Lots 214-221), R-1 Single Family Residence District (Lots 260-263), and C-2 Community Commerce District (West half of 264).

Your Petitioner intends to lease the real estate to Rosehill Lawncare, LLC, for Rosehill Lawn Care, Landscaping & Snow Service. Both entities are owned by the same party.

Your Petitioner would request that the real estate described herein shall be zoned as a C-6 Strip Business District to allow for the use as proposed by the Petitioner. Your Petitioner would allege that the C-6 Strip Business District would not alter the general characteristics of this neighborhood, since the real estate is located in a mixed district, that a portion of the real estate is currently used and zoned for a commercial use, and that the real estate is on a major thoroughfare.

That Petitioner has a hardship because of the following unique characteristics: due to adjacent scattered incompatible uses, to the general deterioration of the neighborhood, and that the parcels are located near district boundary lines.

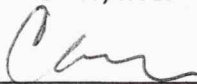

Your Petitioner would respectfully show the proposed change would not be detrimental to the public welfare or injurious to the property or improvements in the area.

WHEREFORE, your Petitioner respectfully requests that the Area Planning Commission and the Common Council of the City of Terre Haute, Indiana favorably consider the passage of a Special Ordinance amending the District Maps of Chapter 10, of the Terre Haute City Code and declaring the above-described real estate to be part of the C-6 Strip Business District of the City of Terre Haute, Indiana, and is entitled to the rights and benefits that may accrue to the real estate and the owners thereof by virtue of the new designation subject to all limitations imposed by deed or otherwise.

IN WITNESS WHEREOF, the undersigned Petitioner has caused this Petition to Rezone Real Property to be executed this 4th day of October, 2022.
