REQUEST FOR ADDITIONAL APPROPRIATION
(For Approval by Mayor, Controller, and City Council)

This form is to be used when a department needs additional monies for a depleted line item or account. This form is also used for appropriations required by certain N/R accounts.

If a Department has sufficient monies in other line items to cover the funds needed in the depleted line item, a transfer of those monies should be made rather than an appropriation of new money.

RE: Appropriations from the Fire Prevention Non-Reverting Account

To All,

Greetings! This memo is an explanation for a request that I have filed for appropriations from the Terre Haute Fire Prevention Non-Reverting fund into two different line items. Currently we have over \$22,000.00 in that fund.

The first line item is for the Purchase of Equipment for \$2,000.00. This will be used for the purchase of public relation material and marketing material used for Fire Prevention activities. We may purchase a banner, table, table skirting, pennants, and a 10' X 10" pop up shelter.

The second line would be Public Relation for \$4,000.00 for all of the fire prevention material that we have been using and will continue to use throughout the year for public education.

If you have any questions please feel free to contact me.

Thank you,

A handwritten signature in cursive script that reads "Norm E. Loudermilk".
