RE: Real Property Tax Abatement - Compliance Reporting

Attached please find the completed CF-1/RP form for 2019 Pay 2020. The "Actual" data entry fields have been left blank since the real property improvements for which the tax abatement was approved have not yet begun.

The original project, to be known as Warren Village II, proposed to construct 38 units on scattered sites in Terre Haute was delayed by 12 months due to the allocation of tax credits occurring on February 22, 2018 rather than on February 23, 2017. Additionally, the project was revised to increase the total number of project units from 38 to 40 and add additional lots to the project. After discussion with the City of Terre Haute, it was determined that the tax abatement request would not be revised to add the additional lots, so the CF/1 reflects the following adjustments:

1. 2420 5th Avenue – the unit count was reduced from 22 units to 20 units
2. 2131 Elm Street – this parcel was deleted from the project
3. 1227 N. 10th St., 2329 6th Ave., 2252 6th Ave., and 2245/2247 3rd Ave. were added to the project but are not included in the tax abatement.

Construction on the project began on December 6, 2018 with a December 2019 completion date.
