PETITION TO REZONE REAL PROPERTY

TO: THE PRESIDENT AND MEMBERS OF THE COMMON COUNCIL OF THE CITY OF TERRE HAUTE, INDIANA:

And THE PRESIDENT AND MEMBERS OF THE AREA PLAN COMMISSION FOR VIGO COUNTY, INDIANA:

LADIES AND GENTLEMAN:

The undersigned Petitioner, Petimo LLC, an Indiana limited liability company, respectfully submits this Petition to rezone the following described real estate in the City of Terre Haute, County of Vigo, Indiana, to wit:

In Lots One Hundred Twenty-Six (126) and One Hundred Twenty-Seven (127) of the Original In Lots of the Town, now City of Terre Haute, Vigo County, Indiana, except Twenty (20) feet, Eleven (11) inches off the South side of In Lots One Hundred Twenty-Six (126).

Commonly known as 118 North 3rd Street, Terre Haute, Vigo County, Indiana 47807.

Your petitioner is informed and believes that in accordance with Chapter 10, Article 2 of the Municipal Code designated as “Comprehensive Zoning Ordinance for Terre Haute, Indiana,” the above-described real estate is now zoned as C5.

Your petitioner would respectfully state that the real estate is now used as an office building. Your petitioner intends to continue to use the real estate as an office building, but to also install a self-serve ice machine in the parking lot on the north side of the building.

Your petitioner would request that the real estate described herein shall be zoned as a Community Commercial District (C2). Your petitioner alleges that the Community Commercial District would not alter the general characteristics of this neighborhood.

Your petitioner would respectfully show the proposed change would not be detrimental to the public welfare or injurious to the property or improvements in the neighborhood.

WHEREFORE, your petitioner respectfully requests that the Area Plan Commission for Vigo County and the Common Council of the City of Terre Haute, Indiana, favorably consider the passage of a Special Ordinance amending the Comprehensive Zoning Ordinance of the city of Terre Haute, Indiana, being Chapter 10, Article 2 of the Municipal Code designated as “Comprehensive Zoning Ordinance for the Terre Haute, Indiana,” and declaring the above-described real estate to be part of the Community Commercial District of the City of Terre Haute, Indiana, and entitled to the rights and benefits that may accrue to the real estate and the owners thereof by virtue of the new designation subject to all limitations imposed by deed or otherwise.

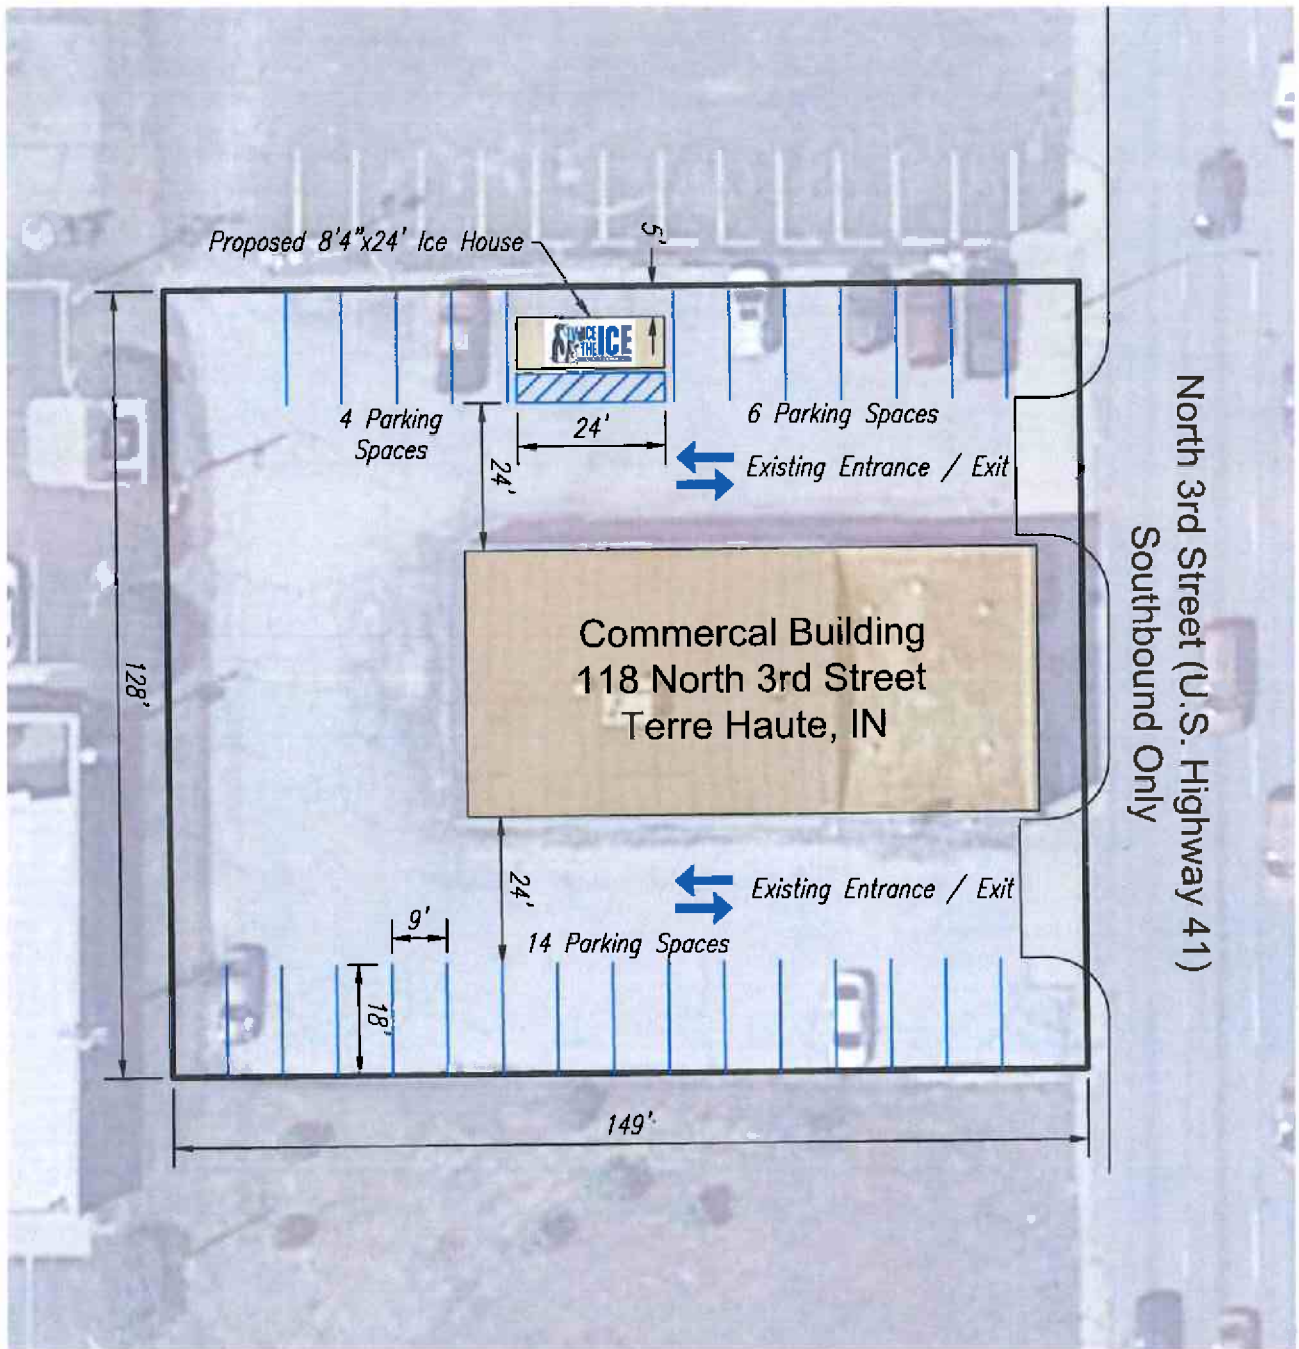

IN WITNESS WHEREOF, this petition has been duly executed this 20th day of February, 2021.

3,500+
ICE VENDING
MACHINES AROUND THE WORLD

LARGEST CAPACITY HIGH VOLUME DESTINATION

The Ice House is our premier ice and water vending machine, offering the highest capacity production and storage of any of our three models. It is the nation's leading ice and water vending destination and features five patented technologies plus a filtration process that ensures the freshest, most hygienic ice and water product available. About the size of two parking spaces, the Ice House is the high capacity, high volume solution for your high traffic location, such as retail business centers, home improvement locations, recreational centers and convenience store locations.

ICE HOUSE

Our Story

In 2003, Ice House America revolutionized the ice industry by combining precision manufacturing, state of the art engineering and cutting-edge technology to provide premium ice direct to the consumer at a wholesale price. Since that time, we have grown to support over 3,500 machines worldwide with a new machine installed every 2-3 days. Our Vision is to be the most recognized consumer ice and bulk water brand in the world. To accomplish this Vision, we committed to innovating our models to evolve with the consumer marketplace.

Scalable Business Opportunity

The retail ice business is a \$4 billion recession-proof industry. Ice vending is rapidly growing in this industry and is well-suited for entrepreneurs looking for bankable ROI with a low-cost operation and a simple to manage business model. Our independent ownership opportunity offers you the flexibility to operate one ice vending machine or scale your fleet of machines to capture a larger portion of this industry.

Innovative Leadership

Our machines represent over 90% of the ice vending business in the world. We maintain this level of market share by investing time and resources into continuously improving the reliability, quality and customer experience of our machines. However, don't just take our word. Come visit our manufacturing facility and see for yourself why our machines are the best in class.

Warranty

Ice House America models have a one-year warranty plus each major component has its own manufacturer warranty policy.

High Capacity Destination

The Ice House is the original ice vending machine concept we launched in 2003. With a 200 ft² footprint (2 parking spaces) and up to 13,000 lbs of ice production capacity, the Ice House is truly a manufacturing plant that can accommodate up to 50,000 customer visits annually. It is the ultimate destination model, that will attract customers not only by its curb appeal, but equally by the unique design of the machine.

Water Vending by Twice Pure Water

Water vending is a sustainable and profitable business that continues to grow thanks to the increased awareness of water quality concerns throughout the world. Combining ice and water vending not only increases the profitability of the business, it attracts different consumers to increase the overall traffic flow to the location. Add to this the purified water quality from our Twice Pure Water™ and there is a great potential to own both the ice and water business in your market.

SmartIce™ Remote Management System

SmartIce™ Remote Management System, a web-based application, lets you manage all aspects of the vending machine - including location information, product sales, technical operations, and customer service. It offers real-time alert messages and current sales data. It lets you compare sales trends, benchmark locations and evaluate machine performance. Most importantly, SmartIce gives you the visibility to see what your machine is doing from the comfort of your home or anywhere you can connect to the internet.
